

# HEALTH CHARTER

## HERE IS A NON-EXHAUSTIVE LIST OF MEASURES SET UP IN OUR ESTABLISHMENT

Your well-being, your safety, as well as that of our staff are our top priorities.

1. At our establishment there is a person specifically in charge of ensuring that health measures are in place and being adhered to.
2. Our staff are trained in protective gestures and new work practices in place for your safety.
3. If preferred, you can check-in remotely
4. Protective screens have been installed at reception and at the bar for extra protection with regards to social distancing.
5. Signage has been installed as a reminder of distancing measures.
6. Wearing a mask is obligatory for all staff in contact with customers, in addition to equipment modified to suit different situations.
7. Hand sanitiser is available in all communal areas, at the entrance to the restaurant and at every table.
8. All contact points (handles, switches, telephones, toilets ...) in communal areas are disinfected several times a day, in accordance with the protocol set up for the surface being treated. Notices are displayed in passageways providing further information.
9. Rooms are disinfected every day following a strict protocol and using certified materials and products.
10. Restaurant service respects current standards and social distancing.

It is important to remember that it is everyone's responsibility to apply and follow protective measures and health recommendations as set by the French government. Our undertaking will have greatest effect with support and understanding on your behalf.
